Dear Mr Brown

I am writing following my successful election as the Member of the Scottish Parliament for the Dumfriesshire constituency to make early contact with you and to reaffirm my support for the Beattock Station Action Group. I am keen to do everything I can to highlight the need for a station stop at Beattock and am keen to engage with both the Scottish and UK Governments on your behalf.

I would be grateful to meet with you and the group at your earliest convenience in order to bring me up to speed with where things are at present and would be extremely grateful if you could make contact with Ann Menzies in my Parliamentary Office – email ann.menzies@parliament.scot or telephone 0131 348 5631.

In the meantime I will look for early opportunities to raise the profile of Beattock Station Action Group and will ensure that I engage with the local authority Transport Partnership and Transport Scotland.

Yours sincerely

Oliver Mundell MSP
